

Bellwork

On a clean sheet of paper, copy the following statement verbatim:

I understand that I am going to be jointly responsible for a novel entitled The Secret Life of Bees by Sue Monk Kidd. I am aware that these are paperback books and should be handled in an appropriate manner, as they are school property. Should the book I am assigned be damaged or disappear, I realize that I am going to share the \$15.00 replacement cost with the others who also use that book.

I also know that if I choose not to be jointly responsible for a school novel, I can give Mrs. Davis my money and she will purchase my own copy for me, or I can independently purchase my own book from any bookstore of my choice.

Place your paper in your slot as soon as you are finished. Be sure your name is on your paper!
